ABOUT ME

I am a fourth-year Information Technology student with a passion for Data Analytics, Administrative work, and Graphic Designing. I have hands-on experience in data handling, documentation management, report preparation, and basic system support, gained through academic projects and organizational involvement. I am detail-oriented, adaptable, and capable of working both independently and in team-based environments. Guided by integrity and a strong sense of responsibility, I strive to use my skills in a way that adds value, serves others, and honors God in all that I do.
